#### SORREL RANCH METROPOLITAN DISTRICT 2020 BUDGET SUMMARY OF SIGNIFICANT ASSUMPTIONS

#### Services Provided

The District, a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by the order and decree of the District Court for the City of Aurora on November 18, 2002, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under the Amended and Restated Service Plan as approved by the City of Aurora on August 30, 2004. The District's service area is located entirely in Arapahoe County, Colorado in the City of Aurora.

The District was established to provide financing for the design, acquisition, construction, installation and operation and maintenance of public improvements including streets and safety protection, water, sanitary sewer and storm drainage, park and recreation and mosquito control.

The District held its formation election on November 5, 2002. The electorate authorized general obligation debt of \$17,422,000 and refunding debt of \$17,222,000. The election also allows the District to retain all revenues other than ad valorem taxes without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law and a \$200,000 annual property tax increase for operations.

The District has no employees and all operations and administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

The change in assessment ratio from 7.96% to 7.15% allows the District to adjust its mill levy to offset the decrease in revenues. The District has elected to not impose an adjusted mill levy for operations. Such adjusted mill levy would be 6.679.

#### **Debt and Leases** (continued)

The Bonds are secured by the Pledged Revenues and all moneys and earnings thereon held in the Funds or accounts created under the terms of the Indenture of Trust dated September 1, 2006 between the District and United Missouri Bank (UMB), as trustee. Pledged Revenues consists of revenues derived from the imposition of the Required Mill Levy (see below) remitted to the District, Facility Fees, Specific Ownership Taxes attributable to the Required Mill Levy, and any other legally available moneys of the District credited to the Bond Fund.

The District is required to impose a mill levy without limitation, up to a limit of 50.000 mills, on the assessed valuation of the District, in an amount sufficient to pay when due the principal and interest and to build up the Surplus Fund of each of the 2006A and 2006B series to their Maximum Surplus Amount, which must be maintained once reached until the Debt to Assessed Ratio is 50% or less. The Maximum Surplus Amount is \$1,167,500 for the 2006A Series Bonds and \$273,500 for the 2006B Series Bonds.
