2023 Budget Message

Introduction

The District, a quasi-municipal corporation and political subdivision of the State of Colorado, was organized by the order and decree of the District Court for Arapahoe County on November 18, 2002, and recorded December 31, 2002. The District is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under the Amended and Restated Service Plan as approved by the City of Aurora on August 30, 2004 and modified August 14, 2006. The District's service area is located entirely in Arapahoe County, Colorado in the City of Aurora. The District was established to provide financing for the design, acquisition, construction, installation and operation and maintenance of public improvements including streets and safety protection, water, sanitary sewer and storm drainage, park and recreation and mosquito control.

The 2023 budget was prepared in accordance with the Local Government Budget Law of Colorado. The budget reflects the projected spending plan for the 2023 fiscal year based on available revenues. This budget provides for the annual debt service on the District's outstanding debt as well as the general operation of the District and capital improvements.

The District's 2022 assessed value increased to \$23,435,223 from \$23,122,940 the prior year. The District's mill levy is 49.644 mills for taxes to be collected in the 2023 fiscal year, with 6.000 mills certified to the General Fund, 42.500 mills certified to the Debt Service Fund, and 1.144 mills certified to the South Aurora Regional Improvement Authority (SARIA). The SARIA mill levy is required pursuant to the South Aurora Regional Improvement Authority Establishment Agreement, as amended.

Budgetary Basis of Accounting

The District uses Funds to budget and report on the financial position and results of operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions. The various funds determine the total District budget. All of the District's funds are considered Governmental Funds and are reported using the current financial resources and the modified accrual basis of accounting. Revenues are recognized when they are measurable and available. Revenues are considered available when they are collectible within the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures, other than the interest on long term obligations, are recorded when the liability is incurred or the long-term obligation paid.

Fund Summaries

General Fund is used to account for resources traditionally associated with government such as property taxes, specific ownership taxes and expenditures which include district administration, legal services, and other expenses related to statutory operations of a local government. The District's primary source of operating revenue for 2023 is from property taxes and specific ownership taxes.

Debt Service Fund is used to account for property taxes and other revenues dedicated to pay the fiscal year's debt expense which includes principal payments, interest payments, and administrative costs associated with debt issues. The primary source of revenue comes from property taxes and specific ownership taxes.

Limited Tax General Obligation Refunding Bonds, Series 2020. On October 8, 2020, the District issued Limited Tax General Obligation Refunding Bonds, Series 2020 (the "Series 2020 Bonds") in the principal amount of \$13,425,000. The proceeds from the sale of the Bonds were used for the purpose of:(i) paying the costs of the Refunding Project, (ii) purchasing the Insurance Policy and the Reserve Fund Insurance Policy, and (iii) paying the costs of issuance of the Series 2020 Bonds. The Series 2020 Bonds shall be secured by a Municipal Bond Insurance Policy and a Debt Service Reserve Fund Insurance Policy provided by Assured Guaranty Municipal Corp ("AGM") in accordance with the terms of Commitments relating to the Bonds dated September 22, 2020 between the District and AGM. Pledged Revenues consists of revenues derived from the imposition of the Required Mill Levy (see below), Specific Ownership Taxes attributable to the Required Mill Levy, and any other legally available moneys of the District credited to the Bond Fund.

The Bonds are not secured by property lying within the District, but rather by, among other things, the District's obligation to annually determine, fix and certify a rate of levy, not to exceed the Required Mill Levy. The District has covenanted in the Bond Resolution to impose the Required Mill Levy on all of the taxable property of the District, in an amount sufficient to the pay the principal of, premium if any, and interest on the Bonds as they become due and payable, and to replenish the Reserve Fund in the amount of the Reserve Fund Requirement, but not in excess of 50.000 mills, as adjusted. The Reserve Fund Requirement is the least of: (i) 10% of the proceeds of the Bonds, (ii) the maximum annual principal and interest payable with respect to the Bonds, or (iii) 125% of the average annual principal and interest payable with respect to the Bonds. The Reserve Fund is funded with the issuance of the Debt Service Reserve Fund Insurance Policy, as mentioned above.

The Series 2020 Bonds were issued as serial bonds and term bonds bearing interest at 2.00% to 5.00%, payable semiannually on June 1 and December 1, beginning on December 1, 2020. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2021. The Serial Bonds maturing on and after December 1, 2031 are subject to redemption prior to maturity, at the option of the District, as a whole or in multiples of \$5,000, on December 1, 2030, with no redemption premium.

The principal and interest payments in 2023 are provided based on the debt amortization schedule from the Limited Tax General Obligation Refunding Bonds, Series 2020.
